Other pertinent information:

- *Students enrolled in the IB program will also be evaluated according to IB objectives and criteria. This will include reflections on what they have studied in each unit, guided investigation through a statement of inquiry and a wider perspective of each topic through discussions of a global context.*
- *Students in the IB program will also be doing an additional project at some point in the school year. In Secondary Four, this project could be the “Poster with a Disclaimer” project, or the “Satirical Article” project.*
