

# Standards & Procedures

**Subject:** Math – Math Resource 1 Sec 1

**Teacher(s):** Jenaes Sivasundarampillai (jsivasundarampillai@emsb.qc.ca)

**School Year:** 2025–2026

## Term 1 (20%) – Sept. to Oct.

### Competencies Targeted:

- Uses mathematical reasoning (C2)

### Evaluations:

- Short tests and quizzes
- In-class and take-home assignments

### Content Focus:

- Numbers and operations
- Introduction to algebra and equations

### Communication:

- Progress report
- Report card
- Email and Mozaik updates

## Term 2 (20%) – Nov. to Jan.

### Competencies Targeted:

- Uses mathematical reasoning (C2)
- Solves a situational problem (C1)

**Evaluations:**

- Tests on algebra, geometry, and problem solving
- Midyear exam

**Content Focus:**

- Equations and geometry basics
- Graphing and data

**Communication:**

- Report card
- Email and Mozaik updates

**Term 3 (60%) – Feb. to June****Competencies Targeted:**

- Uses mathematical reasoning (C2)
- Solves a situational problem (C1)

**Evaluations:**

- Unit tests
- Cumulative review work
- Final exams

**Content Focus:**

- Geometry, probability, statistics
- Review of the full year's material

**Communication:**

- Report card
- Email and Mozaik updates

**Essential Assignments:**

- In-class tasks
- Take-home assignments
- Workbook and practice problems

**Final Evaluations:**

- Final Exam C1: Situational Problem
- Final Exam C2: Mathematical Reasoning
- Covers the complete Grade 7 Math curriculum
